# ABOUT US

HOANG KHANG INFORMATION AND COMMUNICATION TECHNOLOGY SOLUTIONS COMPANY LIMITED

(HOANGKHANG INCOTECH CO.,LTD.)

We will assist you in building and optimizing IT systems with intelligent solutions executed by an experienced team of technical experts.

Hoang Khang Incotech - formerly a company specializing in IT equipment provision. The company has gained the trust of domestic and international organizations as well as non-governmental entities after completing various projects, such as Construction Inspection Department, Schools, Control Institute, People's Committee, Vocational Training Center, Banks, Insurance Companies, Hospitals, and more.

With the aspiration to establish itself as a reputable systems integration provider, by 2008, Hoang Khang Incotech was founded with the principle of delivering customers IT and communication-related application solutions in a professional, high-quality, and dedicated manner.

From 2008 until the present, Hoang Khang Incotech has been highly regarded by investors for its collaborative capabilities and work in IT and communication projects, as well as for providing project consulting tailored to customer demands.
